The class website will be your go-to spot for homework, important announcements, extra help resources, printable papers, and much more.

We will be using the Pearson Algebra 1 Textbook. There is an online version of the textbook that can be accessed through the class website.

## remind101

Register to receive text messages and/or e-mail messages with reminders, homework assignments, and other class information.

All Remind101 notifications can also be viewed on the class website without enrolling in the service.

## Extra Help

If a student is having trouble they should speak with the teacher as soon as possible. The teacher will work with the student to schedule time for extra help. Extra help is available before and after school but parent-teacher contact is necessary to ensure that transportation is available.
